

Graduate Assistantship Mandatory Student Insurance Program Notification

Please be advised that the Board of Regents of the University System of Georgia has contracted with United Healthcare as the vendor for student health insurance. Graduate Assistants are required to enroll in this health insurance program unless proof of comparable coverage can be provided.

As a graduate assistant, it is my understanding that I am required to enroll in the student health insurance program offered by Columbus State University and the University System of Georgia through United Healthcare; unless I have health insurance that meets the minimum standards as determined by United Healthcare and the University System of Georgia. The enrollment in this benefit is automatic and the fees are charged to my student account. I understand it is my responsibility to verify accurate information is recorded with United Healthcare, to include current address and contact information.

However, I may waive this coverage if I have other coverage. I understand it is my responsibility to waive student health insurance online at <https://studentcenter.uhcsr.com/columbusstate> with United Healthcare, within 30 days of class start date.

Additional information regarding the mandatory student insurance can be found at <https://studentcenter.uhcsr.com/columbusstate>.
